

So, you're ready to have fun again! Well, if you know how to make originations happen, we know how to make approvals happen. Let's talk about your joining our experienced, growing commercial equipment finance and leasing team.

Here's what makes us special:

- ❖ More Approvals - our credit box is huge so more of your transactions will get done
- ❖ International Financing - for single transactions and multi-country vendor programs
- ❖ Health and welfare benefits – for peace of mind
- ❖ Backroom support – you submit the transaction and we work to get it done
- ❖ Speed – the quicker the funding the faster the commission
- ❖ Variety – all types of leases, terms, commercial, municipal, start-up, etc.
- ❖ Location - while we are based in the Chicago market, you don't need to be

Here's what makes you special. You:

- ❖ Know how to win vendor sales programs and large single transactions
- ❖ Have existing relationships that you'd like to get more approvals for
- ❖ Are comfortable with the benefits associated with a commission only environment
- ❖ Work independently, are confident, self-motivated with solid computer skills
- ❖ Have 5+ years successful leasing field experience
