

**Advanced Property Tax Compliance** specializes in comprehensive personal property tax outsourcing services. The benefits include;

- Lower total operating costs and effective budgetary expense
- Eliminating internal technology expenses
- Eliminating risk, property tax penalties and interest
- More accurate filings, review, reconciliation, and **payment** of taxes

Advanced Property Tax Compliance provides “**best in class**” services at cost effective fees. Our staff has over 60 years experience. We accept file exports and integrate with all lease management or accounting software. No other firm offers the combination of individual attention, software capabilities, expertise, “full disclosure”, and web portal accessibility to information than we do.
