Dear Christopher:

Information regarding the 2006 ELA Lease Accountants Conference, scheduled September 18-20 at the Omni La Mansion del Rio, San Antonio, Texas is now on the ELA website. Simply click [here](http://www.elaonline.com/events/2006/LA/) to review the agenda, register for the meeting and make hotel reservations:

Don't miss this exceptional opportunity to obtain updates on the latest plans for the Financial Accounting Standards Board and the International Accounting Standards Board to undertake a comprehensive revision of SFAS 13. This premier event for lease accounting professionals provides a comprehensive look at the current and emerging accounting issues affecting the leasing and finance industry, along with a review of basic accounting principles for those new to the industry.

Two pre-conference programs have been added to the schedule for Monday morning, September 18th that you may wish to attend. The highly popular CFO Roundtable provides an opportunity for CFO's and controllers to meet and discuss relevant industry topics and issues. Introduction to Leasing is designed for newcomers to the

industry, and will provide an overview of products, industry market information, reasons why customers lease, etc. If you wish to attend one of the pre-conference programs, simply check the appropriate box on the conference registration form.

This year we are encouraging individuals from ELA member companies who have never attended the Lease Accountants Conference to experience this great program. If someone from your company registers at the full ELA member rate, then a first time attendee from your company may register at a 25% reduced fee, or a savings of \$220! We hope you take advantage of this great opportunity to experience this event with others in your company.

Please make your hotel reservations before the Thursday, August 17, 2006 cutoff date to ensure the special rate of \$179 single/double occupancy. Please call the hotel directly at 210-518-1000 to make your reservations. Accommodations requests received after this date are subject to availability and could be at a higher rate.

Please Note: No brochure will be sent to you in the mail. However, you may print out a PDF version of the online brochure, which includes a traditional registration form, directly from this location: <http://www.elaonline.com/events/2006/LA/>

We look forward to seeing you in San Antonio.
