Dear Jaques Stambouli:

Please be advised that Via Trading Corporation is presently in default under the above referenced lease by reason of its failure to make the required payments due thereunder. A copy of your contract is attached to this letter for your reference. The total amount past due on this account is \$1,387.80. As a result of the default, we are considering accelerating all amounts due under the lease. If we accelerate the lease, the sum of \$5,958.92 will be immediately due and owing from Via Trading Corporation to Marlin Leasing Corp.

You must contact me immediately to arrange for payment on the lease. In the event that payment on the lease is not made within five (5) days of the date of this letter, or in the event that you fail to contact us within the five (5) days to arrange for payment, we will pursue all available remedies under the lease. These remedies may include legal action against Via Trading Corporation for all amounts due under the lease, including our attorney's fees and other costs, and/or the direct debit of your bank account for all amounts owing under the lease.

I can be reached at (888) 479-9111, extension 4387. Thank you in advance for your anticipated cooperation.

Sincerely,

Bob Basile

Director of Asset Management
