

NAELB Mourns the Loss of Chris Walker, CLP

It is with great sadness we announce that the NAELB has lost one of its own. The news came to us today that Chris Walker, CLP with GreatAmerica Leasing lost his battle with pancreatic cancer last evening.

Chris was a well loved and respected member of the leasing community. He had served in various sales and business development positions within GreatAmerica since 1997. He was dedicated to his family, faith, friends and the leasing community and he fought his battle with cancer with dignity and courage.

At the recent NAELB Western Regional Meeting in Costa Mesa, California, Chris was notified by NAELB president, Bud Callahan, CLP, BPB that he was to receive the association's most distinguished honor, the Bill Granieri "Top Gun" Award for his service to the industry. Although Chris will not be able to accept the award in person, the board was able to share in his excitement upon receiving the well deserved recognition.

Our thoughts and prayers are with Chris' family, friends and co-workers at this time. If you would like to participate in a memorial contribution, please contact GreatAmerica Leasing at (877) 234-8787.
