

Discontinuation of PACCAR Financial Physical Damage Insurance Program

Effective August 25, 2008, PACCAR Financial (PFC) will no longer be offering Physical Damage Insurance coverage.

Customers with policies with AIG/National Union Fire will not be impacted by this change and will continue to maintain coverage for the term of their policy or until they request it be cancelled.

Customers added to the Old Republic policy will be notified of the cancellation and provided 60 days to replace the coverage. PFC will refer these customers to your dealership to assist in accommodating their insurance needs.

PFC will continue to have corporate insurance staff available to facilitate inquiries. Please contact your Area Sales Manager for more information or if you have any questions.
