Compliance Experts

RecruitScreen's owners and staff have years of experience in the Mortgage Banking and Financial industries working directly with State Agencies in relation to compliance and regulatory issues. Specifically, RecruitScreen understands the credit approval process and can be an asset to your company as it relates to risk mitigation. We are constantly developing business credit solutions to meet our clients' underwriting needs which ultimately leads to better decisions. The IRS link is one of RecruitScreen's validation offerings.

Confirmation of Filing (COF)

Enables equipment leasing companies to verify if a potential lessee has filed its taxes. This functionality is useful for leases and other programs to speed up the process in making an underwriting decision.

COF Advantages:

- Effective tool for obtaining official IRS records
- Confirmation of past four years
- Results delivered in 24 hours
- Indicates if lease applicant filed all applicable schedules (Profit/Loss)

***Be confident in the companies that you do
