SunBridge Capital Financing Promotion

You now have access to a great financing special SunBridge Capital is running for a selection of equipment from [Trucks at Hand](#). Lessees now have the opportunity to maximize their earning potential by deferring their **next payment after funding until after the first of the year!** Give your customers an opportunity for even more earning potential in the first months of their lease and get the added bonus of some extra shopping money for the holidays for both you and your customer!

Here's how it works:

1. Lessees **choose an asset from the list below** (follow the links to CurrentInventory.net to check availability, pricing and specifications) [1](#)
2. Complete all normal documentation for funding and submit to SunBridge Capital
3. Download and complete [this addendum](#) and submit it as a part of your documentation package.

Complete the above steps and enable your customers to push out their next payment after funding until **January 5, 2009**. Take advantage of this unique opportunity now. To be eligible, transaction must be funded and equipment **must be picked up by September 30, 2008**.

As an added bonus, we're including a **free \$600 MasterCard® card** for both you and your customers with each lease of this selected equipment. Use the card to pay for gas or even to buy a few extra presents during the holidays! [2](#)
