- a. collection so incurred by the Bank, and all other reasonable attorneys fees, and costs, expenses or other amounts required to be paid by SunBridge pursuant to the terms of the Loan Documents and this Agreement.

b. The Limited Guarantors acknowledge and agree that to the extent and as limited by the guaranties executed by the Limited Guarantors as set forth on Exhibit A hereto (the " Limited Guaranties"), the Limited Guarantors are liable for the repayment of a portion of the Obligations as set forth on Exhibit F, all interest hereinafter accruing on the Obligations, all costs and expenses heretofore or hereafter incurred by the Bank including, without limitation, all reasonable attorneys' fees, and all expenses, charges, and costs of collection so incurred by the Bank, and all other reasonable attorneys fees, and costs, expenses or other amounts required to be paid by the Limited Guarantors pursuant to the terms of the Loan Documents and this Agreement, provided however that the limitation of the obligation of the Limited Guarantors under their guaranties upon compliance with paragraph 5 hereof is \$10,000,000.00.

c. The Debtors agree that there is no basis for any set-off, defense, or counterclaim against the Bank in respect of the liabilities owing to the Bank, the Obligations, and all payments made to the Bank previously or hereunder, and, to the extent that any such offsets, defenses, or counterclaims may exist, the Debtors hereby waive and release the same.

2. Partial Strict Foreclosure (the "PSF").

a. It is the intent of the parties hereto that by this Agreement, the Bank shall foreclose its security interest in the Foreclosed Collateral and such collateral shall be transferred to the Bank's designee, BOKF Special Assets I, LLC (the "Designee"), in partial satisfaction of the Obligation pursuant to Kan. Stat. Ann. §§ 84-9-620 and 9-621 (hereinafter "UCC § ____").

b. The Debtors hereby consent to the disposition of the Foreclosed Collateral as described herein, and this Agreement shall constitute a consent and an authenticated record entered into after default pursuant to UCC § 9-620(c)(1).

c. SunBridge and the Unlimited Guarantor hereto agree that no secured party or lienholder has perfected a security interest in the Foreclosed Collateral subordinate to the Bank's security interest therein, and as a consequence, no proposal of the terms of this agreement shall be sent to any person or party pursuant to UCC § 9-621(a)(2).

d. The PSF shall be effective upon execution of this Agreement by all parties hereto, and upon such execution, the Designee shall immediately own all right, title and interest in the Foreclosed Collateral.

e. The parties further agree that if for any reason it is later determined that the PSF was ineffective to transfer all or any portion of Foreclosed Collateral to the Designee, the Bank shall be deemed to have foreclosed its security interest in the Foreclosed Collateral as to which the PSF was ineffective by private sale pursuant to UCC § 9-610 and sold such assets to the Designee under this

Agreement, and the Debtors hereby consent to such a sale and waive any and all requirements of notice and any restrictions regarding such a sale to the Designee.

3. **Foreclosure, Transfer, and Evidence of Transfer.** Pursuant to UCC §§ 9-620 and 621, the Bank's security interests in the Foreclosed Collateral are hereby foreclosed, and all rights, title, and interest in and to the Foreclosed Collateral is hereby transferred to the Designee, free and clear of all interests of SunBridge and of any party holding a security interest in the Foreclosed Collateral subordinate to the interest of the Bank therein. To evidence such transfers, and to facilitate the transfer process, the parties agree as follows:

a. **Titled Vehicles and Inventory.**

i. All certificates of titles with respect to the Titled Vehicles and the Inventory are hereby transferred and delivered to the Designee. All such certificates of title shall be immediately re-titled from SunBridge to the Designee and, under applicable state law with the Bank's lien noted on the resulting certificates of title. To the extent that a certificate of title reflects SunBridge as the secured party, SunBridge's lien thereon is hereby assigned to the Bank and the parties hereto shall execute such documents as the Bank deems necessary to evidence this assignment;

ii. SunBridge shall take all steps necessary to effect the re-titling, lien notation, and lien assignments set forth herein, including assigning titles, performing necessary e-filing, and delivering by overnight mail or electronically (if available) such documents to the relevant state agencies as are necessary to effect the provisions of this Agreement all in a manner and in such form and substance as are acceptable to the Bank; and

iii. SunBridge shall, and will cause its affiliates to, cooperate in the delivery and/or re-location of the Titled Vehicles as directed by the Bank.

b. **Paper.** The Paper is hereby assigned to the Designee who immediately shall be deemed to be, and substituted for SunBridge as, the lessor (and as applicable, the Bank shall be substituted as the secured party to the extent SunBridge was the secured party thereunder) under the Paper for all purposes.

c. **Subtrust Interest.** This Agreement shall constitute (i) a written direction of SunBridge, as beneficiary and owner of the Subtrust Interest to Wilmington Trust Company ("WTC") immediately to transfer all of SunBridge's right, title, and interest in and to the Subtrust Interest to the Designee, and (ii) a presentation by SunBridge of the Portfolio Interest Certificate to WTC to transfer such certificate and all rights thereunder to the Designee. In conjunction with the execution of this Agreement, SunBridge shall present to WTC this executed Agreement, the original Portfolio Interest Certificate, and any further documents required by WTC to effect the transfer of the Subtrust Interest to the Designee.

d. **Deposit Account.** SunBridge and the Unlimited Guarantor shall: (i) take such steps as are necessary to cause only the Proceeds to be deposited into the Deposit Account; (ii) execute such documents as the Bank deems necessary to grant the Bank control of the Deposit Account; and (iii) cause UMB to execute

such documents as the Bank deems necessary to grant the Bank control of the Deposit Account. SunBridge shall provide the Bank with such information as requested by the Bank to ensure compliance with the provisions of this Agreement.

e. Servicing. SunBridge shall immediately take such steps as are necessary to transition the Servicing to the Replacement Servicer and/or such other entity as the Bank shall direct including delivering, transferring and granting access to all Records to the Replacement Servicer.

f. Power of Attorney. This Agreement shall constitute the grant of a power of attorney to the Bank and the Designee to execute documents and take actions on behalf of and in the name of SunBridge as are necessary to effect the transfer of the Foreclosed Collateral to the Designee as set forth in this Agreement, and SunBridge hereby ratifies and confirms such actions taken by the Bank and the Designee.

g. Additional Foreclosed Collateral. After the date of this Agreement, the Bank may identify additional Titled Vehicles, Paper, General Intangibles, Inventory, Accounts, and/or Contract Rights that were not transferred to the Designee as Foreclosed Collateral, or were not the subject to the foreclosure or the process for transition to the Designee as set forth herein (the "Additional Foreclosed Collateral"). The parties agree that the Bank's security interest in any Additional Foreclosed Collateral shall be deemed immediately foreclosed and transferred to the Designee free and clear of SunBridge and of any party holding a security interest in the Foreclosed Collateral subordinate to the interest of the Bank therein, and the Additional Foreclosed Collateral shall be delivered, treated, transitioned, transferred, serviced and processed in the same manner, all under the same terms, conditions, and provisions as was the Foreclosed Collateral.

h. Cooperation. The Debtors shall cooperate with the Bank in all respects in effecting, and shall execute such documents as the Bank's deems necessary to effect, the transfers of the Collateral to the Designee described herein. In particular, without limiting the generality of the foregoing, SunBridge shall take such steps as are necessary to, (i) effect the transition of the Servicing to the Replacement Servicer; and (ii) transition to the Bank, the Replacement Servicer, and/or the Designee all Damages Collection Activities.

4. Credit. Upon irrevocable transfer of the Foreclosure Collateral to the Designee, the Bank shall credit and thereby reduce the Obligation in the amount of \$40,000,000.00.

5. Limited Guarantors' Agreements. In conjunction with the execution of this Agreement, the Limited Guarantors shall collectively pay to the Bank the sum of Five Million Dollars (\$5,000,000.00) and shall pay an additional Five Million Dollars (\$5,000,000.00) on or before July 22, 2009 (collectively the "Limited Guarantor Payments"), which upon irrevocable receipt thereof, shall be in full satisfaction of the amounts owing under the guaranties executed by the Limited Guarantors.

6. Wind Down Budget / Use of Cash Collateral. To enable SunBridge to perform hereunder, and to wind down its business operations, the parties agree as follows:

- a. All cash received by SunBridge from the sale of the Collateral or with respect to the Paper shall be deposited in the Deposit Account (the "Cash Collateral").
- b. SunBridge may spend cash only for the purposes and in the amounts set forth in the budget attached hereto as Exhibit G (the "Budget"). The Budget shall cover the period of January 1, 2009 - April 30, 2009. SunBridge shall not, during any particular month, exceed the budgeted amount for any particular line item of operating expenses by more than ten percent (10%), or the aggregate budgeted amount of operating expenses for any particular month by more than ten percent (10%), without prior written approval of Bank, provided, however, that expenses budgeted for prior months but not paid during the month budgeted may be paid in a subsequent month; and provided further however, that in no event will the aggregate amount of Cash Collateral spent under the Budget exceed \$400,000.00.
- c. The Bank shall retain a security interest in and lien on any Cash Collateral, prior to any right of setoff of UMB.
- d. Beginning February 13, 2009, and ten (10) business days after the conclusion of each month thereafter that the Budget is effective (including May 11, 2009), all Cash Collateral received in excess of the Budget shall be paid to the Bank.
- e. SunBridge's right to use Cash Collateral shall cease on the earlier of, (i) April 30, 2009; and (ii) at any time that a Breach (as set forth hereafter) of this Agreement occurs.
- f. When SunBridge's right to use Cash Collateral ceases, all Cash Collateral shall be delivered to the Bank, and the Bank is hereby authorized to direct UMB, and any other person or entity, to pay, and continue to pay, such sums directly to the Bank.

7. Bankruptcy Case Related Provisions.

- a. Basis of Agreement. The parties desire to successfully negotiate an out-of-court agreement in an effort to avoid the costs, delay, and restraint that would arise from an attempt to seek protection under the provisions of the Bankruptcy Code by the commencement of a bankruptcy case (the "Bankruptcy Case"). The parties acknowledge that: (i) this Agreement is the culmination of extensive discussions and compromises among the parties hereto in an attempt to provide a mechanism to pay the Obligations and maximize recovery, and accordingly, this Agreement constitutes an alternative to the filing of a petition for relief under the Bankruptcy Code; and (ii) this out-of-court workout is more expeditious and economical than the commencement of the Bankruptcy Case. As a consequence, the Debtors and the Bank agree as set forth hereafter.
- b. Relief From the Automatic Stay. The Debtors acknowledge and agree that in any Bankruptcy Case commenced by or against SunBridge under the Bankruptcy Code (i) they will not contest or in any way otherwise take any action to oppose the immediate lifting and modification of the automatic stay of §§

362(d)(1) and/or (d)(2) of the Bankruptcy Code to permit the Bank to enforce its rights and remedies in the Collateral (the "Lift Stay Order"); and (ii) they hereby consent and shall consent in a Bankruptcy Case to the *ex parte* entry of the Lift Stay Order pursuant to § 362(f) of the Bankruptcy Code.

c. Grounds for Relief From the Automatic Stay. The Debtors acknowledge and agree that, (i) they are familiar with the value of, and the extent of the liens asserted against, the Collateral; (ii) the owner of the Collateral does not have, and in a Case will not have, any equity in the Collateral within the meaning of § 362(d)(2) of the Bankruptcy Code; and (iii) the Collateral is not, and is not expected to be, necessary to an effective reorganization within the meaning of § 362(d)(2) of the Bankruptcy Code.

d. Bank Proof of Claim. The Debtors agree that in a Bankruptcy Case, they shall not object to any proof of claim filed by the Bank consistent with this Agreement.

e. Advice of Counsel. The Debtors acknowledge that they understand the consequences of their agreements in this paragraph pursuant to which they are foregoing some of the benefits the Bankruptcy Code and that they have agreed to these terms after the opportunity to consult with, and obtain advice from, counsel.

8. Breach. The following events shall constitute a breach (a "Breach") of the terms of this Agreement: (a) the failure of the Debtors to comply in all respects and timely with each and every one of their respective obligations, covenants, and agreements set forth in this Agreement, as and when due; (b) if any of the recitations herein are materially inaccurate on the date of this Agreement; and (c) the commencement of a receivership, Bankruptcy Case, or insolvency proceeding by or against any of the Debtors.

9. Remedies Upon Breach. Upon the occurrence of a Breach, (a) SunBridge's right to use Cash Collateral shall cease, and the Bank shall have all rights and remedies available to it under the Loan Documents, this Agreement, and applicable law; and (b) SunBridge hereby consents to the appointment of a receiver (upon notice), as a matter of right (and without reference to without reference to the adequacy or inadequacy of the value of the Bank's collateral) to take control of and liquidate, or continue to transition to the Designee, the Bank's collateral, including the Foreclosed Collateral for the benefit of the Bank. The Debtors hereby waive any right to object to the appointment of a receiver hereunder.

10. Release of Bank. In exchange for the agreements set forth herein and other consideration, the Debtors and their respective officers, directors, agents, employees, affiliates, successors and assigns, and anyone claiming through or under them including the Limited Guarantors (the "Releasing Parties") hereby release, remise and acquit the Bank, the Designee, and their respective officers, directors, agents, employees, affiliates, successors and assigns, and anyone claiming through or under them, and all participants in the Loan Documents and their respective officers, directors, agents, employees, affiliates, successors and assigns, and anyone claiming through or under them (collectively the "Bank Parties") from all manner of action, causes of action, claims and demands of every kind and nature whatsoever, whether known or unknown, fixed or contingent, liquidated or unliquidated, as of the date this agreement is executed by the parties, that the Releasing Parties had or may have against any of the Bank Parties.

11. Covenant Not To Sue.

a. Limited Guarantors. Upon irrevocable receipt of the payments set forth in paragraph 5 hereof, the Bank hereby agrees not to sue the Limited Guarantors (including but not limited to in either their capacities as the Limited Guarantors, as officers or directors of SunBridge, or as officers or directors of the Unlimited Guarantor) with respect to claims or causes of action related to the Loan Documents and the Obligations; provided however, that nothing contained herein shall be construed as a covenant not to sue the Limited Guarantors with respect to claims or causes of action based on material and intentional fraud, intentional tort, and/or material intentional misrepresentations by the Limited Guarantors; and provided further however, that this covenant not to sue is conditioned upon the Limited Guarantors taking no steps to impede or impair the Debtors' timely compliance with the terms, provisions, and conditions of this Agreement.

b. Other Officers and Directors. Upon irrevocable receipt of the payments set forth in paragraph 5 hereof, and contingent upon compliance by the Debtors with the terms, provisions, and conditions of this Agreement, the Bank hereby agrees not to sue any of the "Other Officers and Directors" (as defined hereafter) with respect to claims or causes of action related to the Loan Documents and the Obligations; provided however, that nothing contained herein shall be construed as a covenant not to sue the Other Officers and Directors with respect to claims or causes of action based on material and intentional fraud, intentional tort, and/or material intentional misrepresentations by the Other Officers and Directors. For the purposes of this subparagraph, the phrase "Other Officers and Directors" means the officers and directors of either (i) SunBridge or (ii) the Unlimited Guarantor, other than the Limited Guarantors.

12. **Guarantor Ratification and Consent.** By their execution of this Agreement, the Unlimited Guarantor and the Limited Guarantors hereby ratify and confirm their guaranties, agree that ~~their respective guaranties shall remain in full force and effect, and consent to the~~ execution and terms of this Agreement.

13. **Recitals Correct.** SunBridge and the Unlimited Guarantor, and the Limited Guarantors (to the extent that representations made in this Agreement are made by the Debtors and/or the Limited Guarantors), warrant that the statements set forth in the Recitations section of this Agreement are true and correct.

14. **No Other Waivers or Amendments.** Except as provided herein, all of the terms, conditions, and provisions of the Loan Documents remain in full force and effect without modification and the Debtors shall comply therewith. This Agreement shall not be deemed to constitute a waiver or a cure of any events of default under the Loan Documents whether or not such default is identified in this Agreement. In addition, the Bank does not waive, and specifically retains its security interest in all Collateral to secure the Obligations.

15. Multiple Counterparts and Facsimile Execution.

a. This Agreement may be executed in multiple counterpart originals, each of which shall constitute one and the same document and shall be deemed an original.

b. This Agreement may be executed by facsimile signatures which shall be deemed to have the same force and effect as an original signature.

16. **Authority.** By executing this Agreement, each of the undersigned represents that: (a) the person executing this Agreement on its behalf is duly authorized and empowered to execute and deliver this Agreement; (b) this Agreement constitutes the legal, valid and binding obligation of the parties hereto, enforceable against such parties in accordance with its terms; and (c) as to the Bank, it has the authority to execute this Agreement and thereby bind any participants under the Loan Documents to the terms of this Agreement.
