Tahoe is synonymous with endless outdoor opportunities in both summer and winter. Regardless of the season, one thing is constant — the magnificent pool at Caesars. This heated, indoor attraction has been constructed to resemble a lagoon-style retreat, and its gentle waterfall and rock islands promote reflection and relaxation 365 days a year.

Pamper yourself with one of Caesars Tahoe's special massage services. While the Fitness Center is perfect for working the body, our trained massage therapists are perfect for rewarding it — offering an encompassing range of treatments sure to soothe your mind, body and spirit. Massage therapy remains a specialty at The Spa at Caesars, and our soothing massage rooms provide comfort and privacy while enjoying one of our many types of massages offered. Nightclubs

Club Nero has been voted Lake Tahoe's best nightclub for nine straight years. With a rotating lineup of top DJs, hip-hop and R & B superstars, incredible nightly promotions and an exploding laser light show, one trip to Club Nero and you'll know why this nightclub is Tahoe's best. Club Nero sports three spacious lounges where you can relax your feet, refresh your beverage, or regroup with friends — the ones who came with you as well as the ones you've made.

Shopping

Caesars Tahoe Galleria of Shops features a variety of stores offering gifts from around the world.

Circus Maximus

America's favorite performers regularly entertain our guests in this intimate theater. The superior sound engineering produces a dynamic acoustic experience that resonates well after the show, while the showroom's artful design ensures that every seat will have a terrific view.
