

We are an information technology leasing firm that is nearly 30 years old. Our company is experiencing growth and success with our business model and are looking to add to our team of professionals.

The position is Business Development Specialist. This position will be located in our Clearwater, FL office. Responsibilities include working with outside sales force to prospect, educate, profile new clients for our d-base, as well as service our existing clients. Extensive phone contact and relationship building with national domestic leasing companies - scheduling appointments for our outside sales team, setting up and attending seminars and creating general marketing strategies for business growth. Compensation up to \$55,000 (commensurate with experience); plus bonus package after 90 day training period. Limited travel required.

Requirements

Requirements for this position are:

- 1-2 years of leasing experience required.
- 2 Years minimum sales and financial experience.
- Professional Communication skills.
- Telephone Courtesy.
- Good Organizational skills.
- Multi-Tasking ability.
- Knowledge of MS Applications (Word, Excel, PowerPoint)
- Knowledge of MS Access a plus
