Item 8.01 Other Events.

On March 20, 2008, Marlin Leasing Corporation ("Marlin", a subsidiary of the Registrant) sent written notice to Deutsche Bank AG, New York Branch ("Deutsche") informing Deutsche that Marlin has decided not to seek renewal of the \$125 million Series 2000-A Warehouse Facility extended by Deutsche to Marlin. The Series 2000-A facility is scheduled to expire pursuant to its terms on March 24, 2008, and there are currently no borrowings outstanding under the facility. On March 12, 2008, the Registrant announced the opening of Marlin Business Bank (the "Bank"). The Bank provides the Registrant with diversified funding options at more favorable terms than the Series 2000-A Warehouse Facility. The Bank will provide up to \$69 million in origination funding capacity in its first year of operations, up to \$90 million in its second year, and up to \$105 million in its third year and beyond. Management believes that the new funding capacity provided by the Bank renders the Series 2000-A Warehouse Facility unnecessary, resulting in Marlin's decision not to seek renewal of that facility.
