Dear

Thank you for your recent correspondence to the Office of the Attorney General filing a complaint on behalf of your business against another business.

We regret that we cannot be of help to you in this matter. Our jurisdiction over complaints against businesses is generally limited to complaints from consumers regarding personal, family, or household transactions. For assistance with resolving your commercial complaint, you may wish to consult with a private attorney. An attorney would directly represent your interests and is the one whose advice would be most helpful to you.

Again, thank you for contacting our office. We regret that we could not be of further assistance to you, but hope that the information we have provided clarifies our restrictions in regard to your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "C. Ruelas".
