

Master Auction Inventory

T.R.A.F.F.I.C. West

Live Auction: March 7, 2007

Silent Auction: March 6-14, 2007

****IMPORTANT NOTE: Reserve Category does not indicate value**

Live and Silent Auctions. From this list, Moniker will select approximately 250 domains for the Live Auction.

Indicate your interest: You can influence the final selection of Live Auction domains as a registered attendee of the T.R.A.F.F.I.C. West Conference. Log in to the Live Auction system now with your exclusive T.R.A.F.F.I.C. West password and indicate your interest for specific domains you want in the Live Auction. Only those domains receiving the highest indication of interest will be added to the Live Auction inventory. The deadline to indicate your interest is **Proxy and Absentee Bidding**. If you are attending T.R.A.F.F.I.C., and cannot be at the Live Auction, you may submit a Proxy Bid. Additionally, if you cannot attend the conference altogether, you can still make arrangements for absentee bidding in either the Live or Silent Auction. For details on these options, contact sales@moniker.com.
