Good afternoon Thomas,

Here's the revised payment's for 32K. As discussed, this is a lease so you'll take the full tax advantages and be able to trade it in and upgrade at the end of the term:

36 months - \$1,105.38 per month

48 months - \$872.04 per month

I know there's competition on the deal, so I had my credit manager sign off on a rate reduction. I think that you'll be pleasantly surprised with these terms.

I look forward to hearing from you after you speak with the Hunter vendor.

Best regards,

Mike
