2 Attachments, 93 KB

Hi Dave,

Please listen to my voicemail before reviewing.

The short update is that we are not able to access our full doc special CA only program with out the 2012 being complete.

Here is the options-

1. Complete the 2012 and get done in initial program
2. We can just go application only. Rodney can have app only approvals in 24 to 48 hours and we can doc and fund next week. See app only options in this email below
3. We can unwind and I have attached the instructions to request to cancel. We will issue a refund of your deposit if you chose to do this.

Please let us know what you would like to do. Rodney can assist in my absence.

I will return on Monday late. Early Tuesday Morning.

I do regret this has popped up as an issue, I will contact you when I return.

Brian
